**AFFIDAVIT-IN-REPLY ON BEHALF OF RESPONDENT  
NOS. 2 AND 3**

I, Shri Bhupendra Kainthola, working as Director at Film and Television Institute of India and having my office at Law College Road, Pune - 411 004, do solemnly affirm and state on behalf of respondent nos 2 and 3 as under:

1. I say that I am competent to depose by way of the present Affidavit to reply to the review petition filed by the petitioners. I say that I have gone through the contents of the review Petition filed by the Petitioner, the annexures thereto and the relevant records available in the office of the Respondent No.2 and upon the information derived there from, I am filing this Affidavit-in-Reply only for the limited purpose of opposing admission of the review Petition and do hereby crave leave of this Hon'ble Court to file additional Affidavit-in-Reply, as and when required and if necessary.

and Pension Schemes by virtue of the 1977 Rules." In view of the same I deny the contrary contentions raised in the para.

The contentions of the Applicants that the alleged draft rules are approved in the Governing Council Meeting held on 21.03.1978 are absolutely incorrect. Further these contentions are raised for the first time by way of Review Applications & it was not the case of applicant at the stage of hearing of the Main Petition.

3.15 With reference to para 32 of the petition I say that a new contention is raised by the Petitioner that the 1977 rules are approved in the GC meeting held on 21.3.1978. I say that said contention was not raised in Original Application or Writ Petition earlier by the petitioners the same is not accepted by the Respondents and also the High Court in the impugned Judgment & Order dated 01.07.2016 clearly in para 27 that "on the basis of certain resolutions or rules in the matter of coverage under GPF and Pension Schemes do not take the case of the petitioners any further. At the outset, it is required to be noted that the rules, which were referred to by Mr. Bhange (Petitioner's advocate in High Court) has the General Provident Fund-cum-Pension-Gratuity Rules, 1977, appear to be only draft rules. The documents on record also bear out this position substantially. If 1977 Rules were indeed Rules in force, then it is inexplicable as to why the FTII made resolutions thereafter and forwarded proposals to the Central Government. Accordingly, there is no basis to hold that the petitioners are already covered under the GPF and Pension Schemes by virtue of the 1977 Rules."

3.16 With reference to para 33 of the petition I say that it is categorically mentioned in the first para of the circular that "It
